TOURS

# Tanzanian Family Owned and Operated Safari Company

I wish to introduce **Daigle Tours**, a leading independent **Safari Tour Operator** based out of Dar es Salaam, **Tanzania**. We are legally licenced by the Government of **Tanzania** under the Ministry of Tourism to offer Destination Management Services. We will impart our knowledge of the country and try to match your expectations with an unforgettable safari experience that I believe only **Tanzania** can offer you.

**Daigle Tours** started operating in 2010  
by founder **John** and **Anita Daigle**

Our main objectives are to provide quality travel tourism services to you, (our **Travel Partners**). We are a cost effective **Tour Operator** offering the best value to your clients in this demanding & competitive market.

# Safari Circuits

## Southern Circuit Safaris

Include some of the most outstanding Tanzanian gems, including the World famous Selous Game Reserve and Kilwa Ruins, both United Nations World Heritage Sites. The other National Parks are Mikumi National Park and Ruaha National Park, where you can enjoy elephant populations and other wild life Tanzania is famous for. You can also hike through mountains to waterfalls in Udzungwa Mountains National Park.

## Northern Circuit Safaris

Feature some of the most famous and remarkable sights in the world including the annual wildebeest migration, spectacular Ngorongoro Crater and Serengeti National Park. Lake Manyara National Park and Tarangire National Park also offer fantastic game watching. Mount Kilimanjaro offers adventurous travellers the chance to climb Africa's highest peak.

## Eastern Circuit Safaris

Our Eastern Circuit safaris will take you to some of the newest and most private game parks in Tanzania, like Mkomazi National Park which is home to many endangered animals and birds. Another highlight is Sadaani National Park, where the bush meets the Indian Ocean and you can spot wildlife on the pristine beaches or take a boat safari on the Wami River.

## Western Circuit Safaris

Our Western Circuit Safaris allow you to visit some of the wildest, most unspoilt and least visited parts of Tanzania. Let us take you off the beaten track to experience jungle trekking and chimpanzee tracking in Gombe Stream National Park, snorkelling in Lake Tanganyika and game viewing in Katavi National Park which is one of the best-kept secrets in East Africa.

# THE Islands

## Zanzibar the Spice Island

Zanzibar is one of the most beautiful and exotic Indian Ocean Islands. Activities such as island hopping, swimming with dolphins, scuba diving and snorkeling are available. East Zanzibar's coastline offers some of the best beaches in the world.

## Mafia & Pemba Islands

Tanzania isn't just about the amazing wildlife, it's also famous for its Indian Ocean islands of Mafia and Pemba.

Mafia Island is renowned for its isolated pristine beaches and barefoot carefree atmosphere.

Pemba Island is the divers paradise, offering some of the best diving in East Africa.

Both Islands have one of the healthiest coral reef systems in the world.

# Safari Options

We can organize any safari you like, these are our most popular options:

## Great Migration Safari

Go in search of the thundering herds of the legendary **Wildebeest** migration on a **Wildlife Safari** in **Tanzania**. Experience the power of the migration up close in the vast savannas of the Northern or Southern **Serengeti**, depending on the season. Take in extraordinary vistas of the Great Rift Valley, and descend into the **Ngorongoro** Crater to spot lions, cheetahs, elephants, and more.

# Camping Safari

Camping Safaris are perfect if you're on a budget or want to be immersed in nature and be closer to the **wildlife**. During your camping safari we'll do all the hard work, setting up camp and all the cooking, so you can enjoy your game drives and relax by a roaring camp fire under an **African sky**
