# SAFARI OPTIONS

We can literally organise any safari you like but these are our most popular options:

## GREAT MIGRATION SAFARIS

The annual wildebeest migration in the **Serengeti** and **Ngorongoro** is one of the most amazing sights in the world. It's a totally unique experience which you can only see in Tanzania. **Daigle Tours** knows the great migration area better than anyone and stays up to date with course or timing changes so we can guide you straight to the action for the best views. We'll make sure you stay in great accommodation and are strategically placed to watch more than two million animals including wildebeest, zebra and gazelle cross the Serengeti plains. We can even organise a dawn hot air balloon ride if you'd like to get a bird's eye view.

The great migration is our most popular safaris, so if you'd like to experience it get in touch with us now and book well ahead to avoid disappointment.
