

TARANGIRE NATIONAL PARK DAY TRIP

ITINERARY

Morning pickup at 6:00am from your Arusha hotel and depart to Tarangire National Park. The park is 118 km from Arusha, about 1½ hrs drive.

Tarangire National Park gets its name from the Tarangire River which bisects the park, providing a permanent source of water for the wildlife. It is here that a large group of different species of animal concentrate during the dry season and it's the best place for game viewing. The most commonly found animals are Elephants, Buffalo, Giraffe, Eland, Hartebeest, Kudu, and Wildebeest, with the rarely seen Oryx migrating from the dry Masai steppe to the Tarangire River looking for water.

After lunch in the afternoon, you will continue with game viewing till late afternoon. At 4:00pm we drive back to Arusha.
